

## **Suffolk Norse quote for grass cutting – 2019**

Further to discussions at the November WC meeting the Clerk confirms that alternatives have been investigated and other local councils consulted. This has resulted in a recommendation to keep the contract with Suffolk Norse as follows: -

Quotation for 2019 season 6 grass cuts in Walberswick Parrish Council.

£1300.00 + VAT per season, frozen cost for 2019.

Cost per cut is £216.00+VAT

Break down of this costing is £ 19.50 x 3 men at 3.7 hours to complete the grass areas = £216.00.

For a number of years Norse has had a contract to cut grass on the playing field, Village Green and other public areas with Walberswick Parish Council. An overall quote of £1300.00 plus VAT.
