

## **Planning Advisory Group: report to Walberswick Parish Council**

### **DC/26/0599/FUL – (Revised scheme)**

2 Church Lane, Walberswick, Suffolk, IP18 6UZ

*“Single storey side extension to form Hall, Bathroom plus Utility”.*

**10.05.26**

---

#### **1. Opinion**

The application can be **approved** in the amended form.

#### **2. Description**

PAG passed comments to the Parish Council regarding the original application, and these were sent to East Suffolk Council and posted on the website on 30 March. Subsequently amendments were made by the applicants and revised drawings uploaded on 29 April. The comments below relate to those revised drawings.

#### **3. Comment**

It is pleasing to note that the revised drawings reflect the comments made by the Parish Council as posted on 30 March. We note the amendments made from the original, including:

- the pitch of the roof on the new side extension
- the small set back of the new side extension from the existing main elevation

These small changes will result in an improved visual appearance to the extension as viewed from Church Lane, and are to be welcomed.
