

The Friends of St. Andrews report for the annual Parish meeting

The Friends of St. Andrews have had a quiet winter and are intending to bring some more events to the Church shortly. We have agreed to fund a new sound system and visual facilities in the Church and are awaiting the go ahead from the Diocese which should be soon.

Mr John Warby has joined us as a trustee and Mr Clive Brynley Jones has stepped down. We welcome John and thank Clive for all his help and efforts.
