

Walberswick Parish Meeting
Report from the Village News Committee.

A big thank you to Sheila Parry for her wonderful editorship and for providing the information for this report.

Twelve editions were produced in 2024 and print copies were delivered to every house in the village with a colour version going to 325 email addresses. Four inserts were delivered: The Horticultural Show, The Village Fete, The Cancer Research Christmas Fayre and the Church Christmas Services sheet..

There were obituaries for Maureen Thompson, Margreet Walpole and Wendy Sinclair.

As usual, there were several charity fund-raising activities to cover and we also featured local events including the Fete.

The Parish Council submitted material ranging from Sizewell C to the Village Flagpole. We also provided extensive coverage of LionLink and Wall.

The Common Lands Charity supplied interesting information about work on the Common, heather regeneration, wildlife and other environmental issues.

The Church continued to keep us up to date with its activities including the Community Survey and the annual Christmas shoeboxes.

The Village News would not be possible without the hard work of many people:

Sheila Parry our editor, Kate Goodchild the treasurer, Penny Fox our advertising manager, Elaine Heeler the distribution manager and our committee members Rebecca Whiting, Pat Lancaster and Julia Sowerbutts.

Lastly a big thank you to our distributors: Sue Wood, Pat Atherton, Debbie Tipples, Dick Leon, Kate Robinson, Frances Parsons, Inger Edwards, Nicky Jackson, Mandy Erlenbach, Anne Horsburgh, Mel Jackson, Chris Colley, Caroline Wright, Pat Lancaster and Clare Thomas.
