

Walberswick Table Tennis Club

One year on and we now have regular members from the Village. We meet every week on a Tuesday evening in the Village Hall and are very much enjoying the equipment that both the WCLC and an external grant provided.

Stuart - the Village postman, who plays in the Norwich league, ran a great coaching session for us helping us with our serves and spinning techniques.

We have just had a friendly match against Westall which was neck and neck but in the end Westall won 18-16. It was great fun and spurred us all on .
