## **SUGGESTION FOR ALLOCATION OF FUNDS (over £500)**

*The Trustees welcome suggestions for allocating the profits received from the management of the car parks. To ensure that they are able to make a fair decision that complies with the requirements placed on them as charity Trustees, please supply the following information.*

Title of project

Name and contact details of the proposer

Name and contact details of any sponsor (if appropriate)

Brief outline of purpose and nature of the project

Approximate total cost of the project

Estimates from manufacturers/contractors (Please supply at least 3)

Alternative methods/approaches that have been considered

Alternative/additional sources of funding that have been identified

*Having read your initial proposal, the Trustees would like to meet you briefly to discuss your ideas. The allocation of funds usually takes place in March/April each year although in some individual cases the timing may vary.*

*The Trustees reserve the right to refuse or query applications if they think that they might contravene the requirements of the Charities Acts but they will always be willing to discuss their concerns and negotiate to find a mutually satisfactory decision.*
